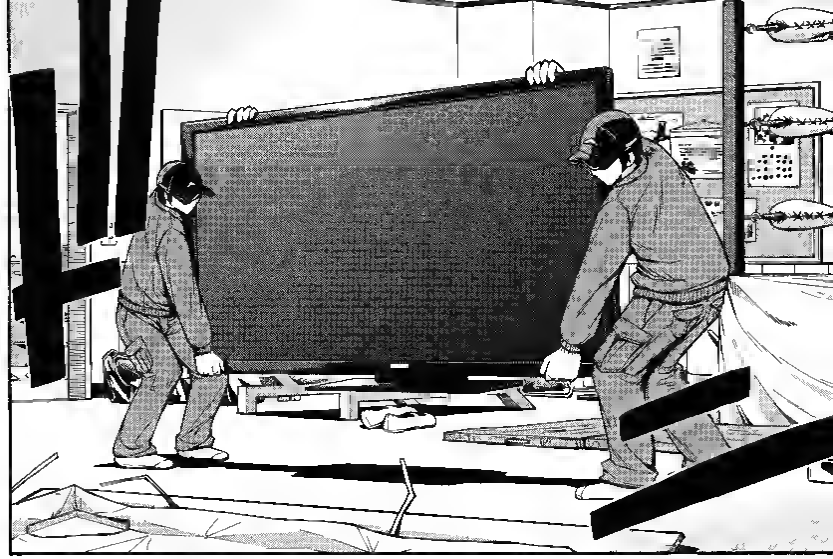
If you'd like have some cookies! ♡
Oh that's right!
I baked them this morning! So please have some guys. ♡
Woah! Cookies!!
To be able to eat Chihiro-chan's home made cookies what a lucky day!!
I made a lot so share them with everyone.
But I'm not sure if you'll like them or not
If it's something she made, it doesn't matter even if it's poisonous!
Right guys!!
Hell yeah!!
Wah! There's no poison in them!
Chihiro? What are you doing? Hurry up to practice.
See you later Chihiro-chan!



I bought a 3-D television!

Ta-dah!

Senpai, what in the world?

Oh, it's here!

A 3-D TV, is a television that lets you see everything three dimensional right?

That's very cool!

Not quite like that though...

Wow! These cookies look three dimensional too!

Chikiro also looks three dimensional.

WHOA!! Everything looks like is flying at me!!

So yeah you put on these glasses and...

¥50,000 (INCLUDING TAXES)
Surprisingly it was only 50 thousand yen!!
This time I did my best!
But certainly something this high level must be very expensive?
Your recent match was profitable beyond my expectations!
Besides,
That's 3-D for you!
Wow even though the bill is for 50 thousand it looks like 500 thousand.
請求書
¥ 500,000
¥500,000 (INCLUDING TAXES)
Oh it really does I can see an extra zero...

Chikiro running away is no good!!
Ahh! Oh no!!
This is bad. I thought it was 50k then it turns out to be 500k...
I got confused because the flyer said something about bargain prices!!
I have 450k left huh.. I already sold the pics I took of Chikiro during practice..
I have to think of something that will roll up the allowance of every guy in school in one punch..
You always lose because all you do is run away, Chikiro!
Think about attacking more!
You need to watch more pro wrestling or photo albums for research!!
Photo albums ...?
T-That's it!!
Wah! You're scary Coco-chan!

わしっ
Huh?
You're the only one who can save me from this mess now, Chikiro!!
You two are going to do special training right now!!
I don't know what's going on, but I'll do my best!
Please show me your real strength!!
Aahn!
PENTAX

Cut the chitchat!!
Focus!!
Senpai, why do you have a camera?
If this is hard...
Leave it to me!
Coco-chan! The big finish!!
She's the only girl with that kind of charm!
If Chihiro gets serious the boys will pay up no matter what!
Nice! That's good!
Harder! Make her sweat more!!
Waah! Your eyes look like dollar bills senpai!
NNmm!
Go to hell!!
ENTAX

Huh?
You're weak! Not much of an opponent for me!!
Muk!!
ゴロ
Now I'm mad!!
HaHaHa! Useless!
ゴロ
That hurts! That hurts! Chihiro stop!!
Yay! Yay! I won!
To pull off a move out of that ridiculous grappie without realizing it...
What a strange talent as always...
Still this is not enough to put out a photo album!
Waah!
I want more stimulating shots!

のに
Aahh! We're going to run wearing this!?
I get it!! I'm sure this is light weight running wear!!
I used to practice with this back in the day.
Liar
Well if senpai used to wear it ..
I'll do it!!
I will run like you used to senpai!!

What is this rope connected to...
Huh? Why do I need this!?
Eh?
And we tie this... up!
EEEEK!!
Coco-chan!! If you beat Chikuro I'll give you another badge again!!
Alright! That will be my 25th one then I'll be a pro wrestling chief!!
Waah! Senpai stop fooling Coco-chan with weird decorations!
Start running Coco-chan!!

WOOOOO!!
AAAHH!!
AH!
If you pull like that I'll pop out!!
Whoa! Look!!
Chihiro-chan is doing something amazing!!
おおおお
To think you could keep up with me I underestimated you!
In that case, time to run full speed!!

It's digging into my butt!!
As Chihiro-chan fanboys don't we need to follow her!!
We must go after her!!
Coco-chan run slower!!
S-So...Fast!! What should we do? We can't even get close to her!!
I get it!! They are running without losing kinetic energy by moving with their weight!!
Oh I see! That's interesting!! But who cares about that!!
OOOH!! Even their captain is fast!!
Make her stop!!

Good job you two!
Here take a break and have some ice cream.
はぁ
はぁ
Wow! Looks so tasty!
So? Why are you guys here?
We're the Chikiro-chan cheering squad!!
おおおお
OOH!
You're good! Just as I expected!
The milk is so rich it has a refreshing after-taste!!
I can eat this forever!!

Come on Chikiro! Be more audacious when you lick it!
Aah! That's cold!
Aiin! Now I'm all sticky!
I think I know what the captain is up to!!
Me too! She's doing something outrageous!
Ok! Now for the next one!!
You people help out too!!
Of course we will!!!

Ok, everything is ready.
This time you're going to train your reflexes!
Also is it really ok for us to use the pool like this?
This bathing suit feels kind of starchy...
I bribed the principal into reserving it for us!
OOH!!

You can clearly see something sticking out!!
We can't look away from this development!
Damn it!
I got her!!
What?
Don't be naive! Not yet!
There! There!
That embarrassment is arousing!!
Good!!
WAAAH! My bathing suit!!

Now you're going to nimbly dodge the water from this water gun!
It's special training to help you dodge your opponent's moves!
So then let's begin!
Do your best Chihiro-chan!
Chihiro will do her best!!
AAAH!!
You're wide open!!
OOOOOOOOOHHH!!
Oh I forgot to tell you that bathing suit is made out of paper!

That captain is amazing! Even though she's a woman she's hitting all our male desires!
She has to be some kind of genius?
Let's get extreme!!
She started filling it up with water!!
AAHN! Oh no it's getting all wet!!
Perfect!! This will definitely sell!!
Well I'm going back to start editing. Take care of the rest.
EEH!? You're leaving just like that?

Whoooa! Turn!! Turn!!
O-Okay, Chihiro-chan!!
AHN! Shut off the water!!
What's the point if you break it instead!?
O-O-Oh craaaapp!!
Anyway let's just stop it for now!!
AAHH!!
Now we can't shut off the water!!
W-What should we do...
Let's try holding it back with the balls!
The water is going to wash it away!!
Chihiro-chan if you don't hold on to your bathing suit,

The water pressure is too strong!!
I can't hold it back by myself!!
EEHH!!
Help me hold it back guys!!
U-UM EVEN FOR US NO MATTER HOW MUCH WE LOVE CHIHIRO-CHAN...
IT'S A LITTLE EMBARRASSING OR MORE LIKE IS IT REALLY OKAY TO...

AAAAHNN! COME ON HURRY UP!!
AAAH!
A-Alright if you say so!!
G-G-Guts!!
Waaah!!

That's not what I said to hold back!!
Whoa! The water popped it in one shot!!
WAAAAH! DON'T LOOK!!
We couldn't protect Chihiro-chan's top secret!!
